

# You've been booed!

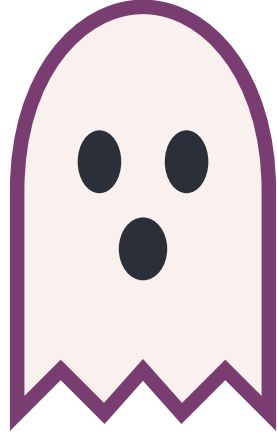

## A friendly ghost left you a treat.

Enjoy it, then hang the We've been booed  
sign on your door, so the ghosts  
know you have had a visit.

Now it is your turn: leave a treat  
and a note at two more doors,  
without being seen.

Happy haunting!

# We've been booed!

**The ghosts have visited this house.**

Thank you for the treats!  
Please boo someone else.
